

## Pre-K April Newsletter

Spring is here! This month we will be working on both letter and number review, continuing simple math and sight words. We will be learning about how we can help care for our Earth. The class will also be helping in the garden. We will be planting veggies and flowers. Hope everyone has a fun Spring Break.

### Garden Party 22nd

To celebrate Earth Day we will be spending extra time outside in the garden. I encourage your child to dress like a farmer and/or in clothes that are okay to get dirty. Your child can also bring garden gloves or tools if they please. If the weather is nice we will have lunch outside, picnic style!

**Themes:** Gardening, Nature, our Earth

**Birthday:** No birthday this month

# Ready for KINDERGARTEN!

**T**his three-day opportunity offers a safe and welcoming introduction to elementary school for families and students, relieving many first-day anxieties (for students and their caregivers!).

Students will become familiar with the school campus, the school staff, and their kindergarten peers before the start of school. Principals will also provide families an opportunity to meet staff, discuss kindergarten readiness and receive educational support around helping their students transition to kindergarten.

Transportation by school bus will be provided if requested in the registration form prior to July 31 for families who need it, or for those who want their child to practice riding the bus before the first day of school.

**RSVP**

**PLEASE RSVP HERE** to help with our planning and to make sure transportation is set up for your child if needed.

We are looking forward to welcoming your kindergarten student to Ready for Kindergarten and a fantastic first year in elementary school. Welcome aboard!
