

Hello Spring!

Thank you again to the families who signed up for spring conferences. It was such a pleasure to meet with all of you and I'm looking forward to these last few months together. Spirit week was such a blast and we all enjoyed dressing up together and celebrating Easter just in time for Spring Break. This Month is Guest Speaker month!

We are excited to welcome back Milestone Dentistry and hopefully a few more Guests.(more info to come) This month we will review Letters G, K, O, N and Numbers 17-20. As always if you have any questions please email me at countrydawnmarie@gmail.com or reach me through the ProCare app.

Ready for KINDERGARTEN!

This three-day opportunity offers a safe and welcoming introduction to elementary school for families and students, relieving many first-day anxieties (for students and their caregivers!).

Students will become familiar with the school campus, the school staff, and their kindergarten peers before the start of school. Principals will also provide families an opportunity to meet staff, discuss kindergarten readiness and receive educational support around helping their students transition to kindergarten.

Transportation by school bus will be provided if requested in the registration form prior to July 31 for families who need it, or for those who want their child to practice riding the bus before the first day of school.
